Infrastructure Support and Approvals requested by the company for the project	Land: 99.32 acres of existing land at Mandya and Bagalkot District Water: 10,000 KLPD from river Power: 22500 KVA from ESCOM
Committee Decision	<p>The representative of the company appeared before the committee through V.C and highlighted the project proposal.</p> <p>He also informed that, currently, MRN Group has working Ethanol Plants in three of their six sugar plants. It is now proposed that TBL, a new company recently promoted under the MRN Group, will take over all the three Ethanol Plants from their existing companies. In addition, the expansions already planned in two of these three units will also be undertaken by TBL. Besides, TBL will establish new Ethanol Plants in the remaining three sugar plants of the Group where presently there are no</p>

	<p>Ethanol Plants. It is proposed that these ethanol will be established in the existing sugar plant premises. The total extent of the land put all together in the above plant is 99.32 acres .Then, all the six Ethanol Units along with their by-products - surplus cogen power and CO₂ - will be under TBL Management which will be completing the balance work, operate and maintain them.</p> <p>The Committee noted the request of the company, land utilization details and after detailed discussions, resolved to recommend to SHLCC for approval of the project of M/s Trualt Bioenergy Limited to establish "Ethanol Plant" in 99.32 acres of existing sugar plant premises at Mandya and Bagalkot Districts.</p>

--	--	--	--	--

Background of the project:

Project proposal of M/s Infotel Broadband Services Ltd. to establish an "Internet Data Centre" with an investment of Rs.300 crores in 25 acres of land at IT Park area of Hi-tech, Defence and Aerospace Park, Bangalore was approved in the 27th SHLCC meeting held on 13.4.2012.

Further G.O was issued vide No.CI 128 SPI 2012 dated 20.4.2012 for approval of change of name of the company from M/s Infotel Broadband Services Ltd. to M/s Reliance Jio Infocomm Ltd.

In the 93rd SLSWCC meeting held on 3.8.2016 extension of time was granted for further period of 2 years to implement the project. Accordingly G.O No.CI 253 SPI 2016 dated 12.9.2016 was issued.

The status of project implementation details are as follows:-

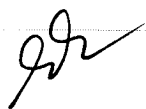

1. KIADB has allotted land admeasuring 25 acres at Bengaluru IT Park, Devanahalli, Karnataka in favour of RJIL vide Allotment Letter dated 09.08.2012 and subsequently lease cum sale deed was executed.
2. Accordingly, in terms of Agreement dated 17.04.2013 registered as Document No. 412/13-14 of Book No 1 Vol filed at pages 1 to 17 ("**Lease Deed**"), KIADB was pleased to convey to RJIL by way of lease cum sale, a Plot of land comprising Plot No. 2 (Corner) in the Bengaluru IT Park Industrial Area, comprised in Sy No. 6 – Part, within the Village limits of Singahalli, Jala Hobli, Bengaluru North Taluk, Bengaluru Distt, admeasuring 101173 Sq. Mts. or thereabout ("**Leased Land**") on terms and conditions set out therein for the purpose of setting up of "Internet Data Centre" or "establishing any other industry permissible under the Law".
3. In terms of the Lease Deed, RJIL was required to complete civil construction works and commence production within 24 months from the date of taking possession of the Schedule Property, i.e. from 19.01.2013.
4. Further, part of the Leased Land allotted admeasuring approx. four (4) acres were in dispute between KIADB and the original land owners in connection with the alleged

wrongful compensation, causing challenges to the possession and development of the disputed land, which stalled development during the first five (5) year period. Hence due to reasons beyond our control, we were unable to commence the construction works and upon consideration of our explanations to that regard, KIADB was pleased to extend the time for completion until 11.09.2018 vide its letters dated 20-02-2015 and with effect from 12-09-2016.

5. In the meanwhile, RJIL undertook the following actions to execute the IDC project:

- a. Conducted soil investigation tests and a topography survey report
- b. Prepared the drawings for the IDC and received approval thereof from KIADB vide its letter dated 26.05.2017. However due to business exigencies and project requirements, the drawings were revised subsequently.
- c. Applied for and received a NOC from the Karnataka State Fire & Emergency Services vide their letter dated 17.08.2016.
- d. Applied for and received an Establishment Order No. CTE 102900/77 dated 18.08.2016 from the Karnataka State Pollution Control Board.
- e. Applied for and received a NOC for height clearance dated 08.10.2015 from the Airports Authority of India
- f. Prepared a Project Report for the IDC.
- g. Prepared a Building Plan for the IDC.
- h. Applied for NOC from the Asst. Executive Engineer, Vidyanagar, Sub Division (Hoskote), Bangalore North on 16.09.2019 for providing an electricity connection for the project.
- i. Commenced detailed engineering including civil and architectural engineering, in connection with the project. A boundary wall was also constructed in the lease hold property. We were also in discussions with various vendors, consultants for procurement, of equipment, software and infrastructure in connection with the execution of IDC.
- j. Applied for and received environmental clearance for the IDC from the Ministry of Environment, Forest and Climate Change, Government of India vide letter dated 19.01.2022.
- k. CFE issued on 19.01.2022

The company vide letter dated 4.6.2022, has requested for the followings:-

1. Change of activity "Internet Data Centre" to "Research and development and manufacture of Green Energy Power Electronics".
2. Extension of time Five years.
3. The total cost of the project/investment would be Rs. 446 crores instead Rs.300 crores already approved and approximate man power will be of 1000.
