Infrastructure Support and Approvals requested by the company for the project	Land: 88 Acres of land at Kamblipura or Chikkallur Industrial Area, Hoskote Taluk, Bangalore Rural Power: 10 MVA from BESCOM Water: 0.2 MLD from KIADB
--	---

Committee Decision

The subject was discussed in the 20th LAC meeting held on 3.9.2015 and the Committee has informed the promoter that, no real estate activity will be permitted and informed them to appear before the next Land Audit Committee meeting with all specific details of the project.

The representative of the company appeared before the committee and explained that;

- they have proposed to build industrial sheds with the world class infrastructure for manufacturing and other industrial related activity.
- this project will generate more than 2600 employment and there will be foreign investments.
- their parent company is established in Singapore and they have tied up with many foreign companies for this projects, also they have already arranged more than Rs.750/- Crores of foreign direct investment and the same has been listed in Bombay Stock Exchange.
- their focus is to develop this industrial park for the manufacturing industries and industrial related activities with an investment of more than Rs.750 Crores.

They have requested for allotment of 88 acres of land as SUC from KIADB at Kambalipura or Chikkallur, Hoskote Taluk, Bangalore Rural District for the project.

The Secretary, KIADB has informed that Hon'ble High Court of Karnataka in the W.P No. 47952/2015 (GM-KIADB) filed by M/s P M Infrastructure Pvt. Ltd. has passed an order "restraining from considering the application of other parties till the next date of hearing" in Sy.No.25, Chikkallur village, Bangalore Rural District.

The committee noted the above and after detailed discussion resolved to recommend to SHLCC for allotment of 88 acres of suitable land from KIADB for the project in Hoskote Taluk.

SUBJECT NO.4 : Any other Subjects with the permission of Chair

4.2.9 Proposal of M/s Favorich Infra Pvt Ltd					
About the Project :					
Name & Address	Land-Acres	Product/ Activity	Investment (Crores)	Employment	Land Utilization(Sq mts)
M/s Favorich Infra Pvt Ltd	300 acres of land to be acquired by KIADB as SUC (out of the land notified	Mega Food Park	99.52	---	Approval to set up "50 MW Solar Power Plant" with an investment of Rs. 300 Crores within the Food Park and extension of time by 2 years to

	by KIADB in Bannernahalli Village, Bookankere Hobli, Krishnarajpet, Mandya District				implement the project.
--	---	--	--	--	------------------------

<p>Infrastructure and Assistance Required</p>	<p>The project proposal of M/s Favorich Infra Pvt Ltd., Bangalore to establish a "Mega Food Park", with an investment of Rs.99.52 Crores, in 300 acres of land to be acquired by KIADB as SUC (out of the land notified by KIADB in Bannernahalli Village, Bookankere Hobli, Krishnarajpet, Mandya District for formation of industrial area) was approved in the 27th SHLCC Meeting held on 13.4.2012.</p> <p>Now, the company has informed that KIADB has allotted 129.03 acres of land as SUC out of 275 acres acquired as on June, 2015. The balance 147 acres are in the process of being transferred to the company in next 2 to 3 months. Further informed that they have taken following effective steps to implement the projects.</p> <ol style="list-style-type: none"> 1. Obtained Master Layout approval from KIADB 2. Obtained Industrial Entrepreneur Memorandum (IEM), Airport Authority Clearance, KSPCB clearance. 3. Land Development work at site is in progress. 4. Initiated marketing of developed industrial plots for potential investors for setting up of Agri and Food Processing and Allied Industries in Food Park. <p>Further, the company has informed that as per the Mega Park Scheme of Ministry of Food Processing Industries, New Delhi, preference for setting up of Food Park would be given to developer who proposes to set up Solar/Bio Mass based power generation. In addition, there is acute shortage of power in the State and various industries within the State have expressed their willingness to buy power from the Park. Considering these facts, the company has taken decision to set up 50 MW Solar based power generating Plant in the Food Park. The additional cost of the project would be Rs. 300 Crores.</p>
---	---

	<p>Therefore, the company has requested the following approvals :</p> <ul style="list-style-type: none"> ➤ Approval to set up “50 MW Solar Park”, with an investment of Rs.300 Crores within the Food Park. ➤ Extension of time by 2 years to implement the project.
--	--

Committee Decision	<p>The committee after detailed discussion, resolved to recommend to SHLCC for approval of setting up of “50 MW Solar Park”, with an investment of Rs.300 Crores within the Food Park and Extension of time by 2 years to implement the project.</p>
---------------------------	--
