Sub No. 5: Amendments to Earlier Approved Projects

5.1 Proposal of M/s Sanjay Patil Sugars Ltd

Name & Address	Land-Acres	Product/Activity	Investment	Amendment Sought -
M/s. Sanjay Patil Sugars Ltd.	250 acres of land at Naavage Village, Uchagoan Hobli, Belgaum Taluk and District	White Crystal Sugar – 5000 TCD with 30 MW Co-gen of Power Ethanol Plant	417.51	Extension of time and change of mode of acquisition from SUC to U/s 109

Decision of the committee:

The representative of the company appeared before the committee and explained that they are in the process of making sale agreement for the land required for the project and informed that, instead of KIADB acquiring the land as SUC for their project they want to purchase the same on their own. He has requested approval for extension of time by 2 years

Department of Industries and Commerce

Proceedings of 88th State Level Single Window Clearance Committee meeting

to implement the project and to recommend to DC, Belgaum District for grant of permission U/s. 109 of KLR Act to purchase the land for the project.

The committee noted the above and after detailed discussion resolved to approve the extension of time to implement the project by 2 years and to recommend to DC, Belgaum District for grant of permission U/s. 109 of KLR Act to purchase the land for the project instead of KIADB acquiring the land as SUC for the project. The committee also advised the promoter to obtain extension of IEM for the project.

5.2 Proposal of M/s Trans India Shipping Services Pvt. Ltd

Name & Address	Land-Acres	Product/ Activity	Investment	Amendment Sought
M/s. Trans India Shipping Services Pvt. Ltd.	Elladakere Village, Hiriyur Taluk, Chitradurga District	Change of activity from 1 MMTPA capacity Integrated Steel Plant with 152 MW Captive Power Plant to 80 MW Solar Power Project and reduction in investment from Rs.1975 Crores to Rs.440 Crores	404	Change of activity from 1 MMTPA capacity Integrated Steel Plant with 152 MW Captive Power Plant to 80 MW Solar Power Project and reduction in investment from Rs.1975 Crores to Rs.440 Crores

Decision of the committee:

The representatives of the company explained the committee that, KIADB has allotted 440 acres of Government land for the originally approved 1 MTPA steel Plant with captive power plant of 150 MW. But, due to non allocation of water by the Government for the project from Vani Vilas Sagar Dam the Steel Plant cannot be implemented and therefore they want to setup a 100 MW Solar Power Plant instead of steel plant in the above land with an investment of Rs. 440 Crores and requested approval for the same.

Department of Energy said that they have no objection to the project to set up 100 MW Solar power plant but there would not be Power Purchase Agreement and unit would have to manage sale of power at its level based on existing rules and guidelines.

Committee noted the above and advised the Promoters to consider whether they can consider starting Agro Food Processing or any other manufacturing activities on some portion of land which will provide more employment. It was decided to **defer** the subject to know views of the promoter on the above mentioned observations.

5.5 Proposal of M/s Favorich Infra Pvt. Ltd.

Name & Address	Land-Acres	Product/ Activity	Invest ment	Amendment, Sought
M/s. Favorich Infra Pvt Ltd.	300 acres of land to be acquired by KIADB as SUC (out of the land notified by KIADB in Bannernahalli Village, Bookankere Hobli, Krishnarajpet, Mandya District for formation of industrial area)	Mega Food Park	99.52	<ul style="list-style-type: none">➤ Approval to set up "50 MW Solar Plant", with an additional investment .➤ Extension of time.

Decision of the committee:

The representative of the company explained that, as per the Mega Park Scheme of Ministry of Food Processing Industries, New Delhi, preference for setting up of Food Park would be given to developer who proposes to set up Solar/Bio Mass Based Power Generation. In addition, there is acute shortage of power in the State and various industries within the State have expressed their willingness to buy power from the Park. Considering these facts, the company has taken decision to set up 50 MW Solar based power generating Plant in the Food Park with an additional investment of Rs. 300 Crores. They have further informed that, Roof Tops of the buildings and Side Lanes of the Roads and Civic Amenity Area in the Food Park will also be utilized for installation of Solar Panels without affecting the original structure of the food park and requested the approval of the proposal.

The committee after detailed discussion resolved to accord approval to setup "50 MW Solar Plant" with an additional investment of Rs.300 Crores within the Food Park without compromising on the original structure of Food Park and extension of time by 2 years to implement the project.
